

3 Courses

Introduction to Computer Vision

Deep Learning for Computer Vision

Modern AI Models for Vision and Multimodal Understanding

University of Colorado Boulder

Oct 16, 2026

Muhammad Hassan Askari

has successfully completed the online Specialization

Computer Vision

The Computer Vision Specialization is an online learning program that spans foundational techniques of computer vision, deep learning, and cutting-edge AI models for vision and multimodal understanding.

Tom Yeh
Associate Professor
Computer Science
University of Colorado, Boulder

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
